

2024 BENEFITS OPEN ENROLLMENT

Welcome to the Victor Elementary School District

Open Enrollment Startcard!

Open Enrollment is
April 29th – May 17th
for a July 1, 2024 effective date!

We are excited to announce there are no changes to the plan design of the medical, dental, vision or life plans this year. **This year is a PASSIVE enrollment**, which means all of your benefits from the 2023/2024 plan year will automatically roll over to the 2024/2025 plan year if you do not actively make elections.

To make any open enrollment changes, use the [Benefitfocus portal here](#).

We encourage you to log in to the Benefitfocus Portal to confirm your personal information, review your existing benefit elections, and make any necessary changes.

Below are links where you can find plan design documents as well as search for PCPs for each of the offered medical carriers.
