VESD Promise to Employees

Within Victor Elementary School District, the skill and knowledge of our employees are the most important resources in our service commitment to our students, families, and community.

We apply the principles of trust, honesty, confidentiality, collaboration, respect, integrity, and commitment so that everyone's input is valued and respected, everyone's talent is nurtured and maximized, everyone's achievement is recognized.

VESD creates an environment in which diversity is respected, teamwork is valued, quality of life is enhanced, and the VESD pursuit of excellence is strengthened.
