INSTRUCTIONS FOR BIDDERS

1. Preparation of Bid Form: The DISTRICT invites bids on the form attached to be submitted at such time and place as is stated in the Notice Inviting Bids. All blanks in the bid form must be appropriately filled in. All bids shall be submitted in sealed envelopes bearing on the outside the name of the bidder, his address, and the name of the project for which the bid is submitted. It is the sole responsibility of the bidder to see that his bid is received in proper time. Post Office date stamp will not suffice for bid deadline. Any bid received after the scheduled closing time for receipt of bids will be returned to the bidder unopened.
2. Bid Security: Each bid must be accompanied by one of the following forms of bidder's security: (1) cash; (2) a cashier's check made payable to the DISTRICT; (3) a certified check made payable to the DISTRICT; or (4) a bidder's bond executed by a California admitted surety as defined in Code of Civil Procedure Section 995.120, made payable to the DISTRICT, in the form set forth in the contract documents. Such bidder's security must be in an amount not less than ten percent (10%) of the maximum amount of such bidder's bid as a guarantee that the bidder will enter into the proposed contract, if the same is awarded to such bidder, and will provide the required Performance Bond and Payment Bond. In the event that a bidder is awarded the contract and such bidder fails to enter into said contract or provide the necessary documents within **five (5)** calendar days after notification of the award of the contract to bidder, said security will be forfeited.
3. Signature: The bid must be signed in the name of the bidder in permanent ink and must bear the signature in longhand of the person or persons duly authorized to sign the bid on behalf of the bidder. It may not be stamped or otherwise reproduced.

If bidder is a corporation, the legal name of the corporation shall first be set forth, together with two signatures: one from the President and one from the Secretary or Assistant Secretary. Alternatively, the signature of other authorized officers or agents may be affixed, if a certified copy of the resolution of the corporate board of directors authorizing them to do so is on file in the DISTRICT's office. Such documents shall include the title of such signatories below the signature and shall bear the corporate seal.

If bidder is a partnership, the true name of the firm shall first be set forth, together with the names of all persons comprising the partnership or co-partnership. The bid must be signed by all partners comprising the partnership unless proof in the form of a certified copy of a statement of partnership acknowledging the signer to be a general partner is presented to the DISTRICT, in which case the general partner may sign.

Bids submitted as joint venturer must so state and be signed by each joint venturer.

Bids submitted by individuals must be signed by the bidder unless an up to date power- of-attorney is on file in the DISTRICT office, in which case, said person may sign for the individual.

The above rules also apply in the case of the use of a fictitious firm name. In addition, however, where a fictitious name is used, it must be so indicated in the signature.

4. Modifications: Changes in or additions to the bid form, recapitulations of the work bid upon, alternative proposals, or any other modification of the bid form which is not specifically called for in the contract documents may result in the DISTRICT's rejection of the bid as not being responsive to the Notice Inviting Bids. **No oral or telephonic modification of any bid submitted will be considered.**
5. Erasures, Inconsistent or Illegible Bids: The bid submitted must not contain any erasures, interlineations, or other corrections unless each such correction creates no inconsistency and is suitably authenticated by affixing in the margin immediately opposite the correction the signature or signatures

of the person or persons signing the bid. In the event of inconsistency between words and figures in the bid price, words shall control figures. In the event that the DISTRICT determines that any bid is unintelligible, inconsistent, or ambiguous, the DISTRICT may reject such bid as not being responsive to the Notice Inviting Bids.

6. Requirements at Bid Opening: The following documents are required to be included in the sealed bid at bid opening or the bid must be refused: the Bid Form, Bid Bond, Designation of Subcontractors, and the Non-Collusion Affidavit (in accordance with Public Contracts Code Section 7106).
7. Examinations of Site and Contract Documents: Each bidder shall visit the site of the proposed work and fully acquaint himself with the conditions relating to the construction and labor so that he may fully understand the facilities, difficulties, and restrictions attending the execution of the work under the contract. Bidders shall thoroughly examine and be familiar with the drawings and specifications. The failure or omission of any bidder to receive or examine any contract document, form, instrument, addendum, or other document or to visit the site and acquaint himself with conditions there existing shall in no way relieve any bidder from any obligation with respect to his bid or to the contract. The submission of a bid shall be taken as prima facie evidence of compliance with this section. Bidders shall not, at any time after submission of the bid, dispute, complain, or assert that there were any misunderstandings with regard to the nature or amount of work to be done.
8. Withdrawal of Bids: Any bid may be withdrawn, either personally or by written request, at any time prior to the scheduled closing time for receipt of bids. The bid security for bids withdrawn prior to the scheduled closing time for receipt of bids, in accordance with this paragraph, shall be returned upon demand therefore.

No bidder may withdraw any bid for a period of sixty (60) calendar days after the date set for the opening of bids.

9. Agreements and Bonds: The Agreement form which the successful bidder, as CONTRACTOR, will be required to execute, and the form of the bonds which such CONTRACTOR will be required to furnish, are included in the contract documents and should be carefully examined by the bidder. Both Payment Bond and Performance Bond, each in an amount of one hundred percent (100%) of the amount of the contract will also be required if the bid is \$25,000.00 or more.
10. Interpretation of Plans and Documents: If any person contemplating submitting a bid for the proposed contract is in doubt as to the true meaning of any part of the drawings, specifications, or other contract documents, or finds discrepancies in, or omissions from the drawings and specifications, he may submit to the DISTRICT a written request for an interpretation or correction thereof. The person submitting the request will be responsible for its prompt delivery. **Any interpretation or correction of the contract documents will be made only by addendum duly issued and a copy of such addendum will be mailed or delivered to each person receiving a set of contract documents.** No person is authorized to make any oral interpretation of any provision in the contract documents to any bidder, and no bidder is authorized to rely on any such unauthorized oral interpretation.
11. Bidders Interested in More Than One Bid: No person, firm or corporation shall be allowed to make, or file, or be interested in more than one bid for the same work unless alternate bids are specifically called for. A person, firm, or corporation that has submitted to a sub-proposal to a bidder, or that has quoted prices of materials to a bidder, is not thereby disqualified from submitting a sub-proposal or quoting prices to other bidders or making a prime proposal.
12. Award of Contract: The DISTRICT reserves the right to reject any or all bids, or to waive any irregularities or informalities in any bids or in the bidding. The award of the contract, if made by the DISTRICT, will be by action of the governing board and to the lowest responsible and responsive bidder from among those bidders responsive to the call for bids. In the event an award is made to bidder, and such bidder fails or refuses to execute the contract and provide the required documents within **five (5)** calendar days after

14. Evidence of Responsibility: Upon the request of the DISTRICT, a bidder whose bid is under consideration for the award of the contract shall submit promptly to the DISTRICT satisfactory evidence showing the bidder's financial resources, surety and insurance claims experience, construction experience, completion ability, workload, organization available for the performance of the contract, and other factors pertinent to a project of the scope involved.
15. Listing Subcontractors: Each bidder shall submit with his bid, on the form furnished with the contract documents, a list of the names and locations of the places of business of each subcontractor who will perform work or labor or render service to the bidder in or about the project, or a subcontractor who under subcontract to the bidder, specially fabricates and installs a portion of the work, in an amount in excess of one-half of one percent (1%) of the bidder's total bid as required by the Subletting and Subcontracting Fair Practices Act (Public Contract Code Section 4100 et seq.). If alternate bids are called for and the bidder intends to use different or additional subcontractors, a separate list of subcontractors must be submitted for each such alternate.
16. Workers' Compensation: In accordance with the provisions of Labor Code Section 3700, the successful bidder as the CONTRACTOR shall secure payment of compensation to all employees. The CONTRACTOR shall sign and file with the DISTRICT the following certificate prior to performing the work under this contract: "I am aware of the provisions of Section 3700 of the Labor Code, which requires every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this contract." The form of such certificate is included as a part of the contract documents.
17. Anti-Discrimination: It is the policy of the DISTRICT that in connection with all work performed under contracts, there be no discrimination against any prospective or active employee engaged in the work because of race, color, ancestry, national origin, religious creed, sex, age, or marital status. The CONTRACTOR agrees to comply with applicable federal and California laws, including, but not limited to, the California Fair Employment and Housing Act (Government Code Section 12900 et seq.) and Labor Code Section 1735. In addition, the CONTRACTOR agrees to require like compliance by any subcontractors employed on the work by such CONTRACTOR.

As part of this indemnity, CONTRACTOR shall protect and defend, at its own expense, DISTRICT, the Inspector of Record, the State of California and their officers, employees, agents and independent contractors from any legal action including attorneys fees or other proceeding based upon such act, omission, or breach. Furthermore, CONTRACTOR agrees to and does hereby defend, indemnify and hold harmless DISTRICT, the Inspector of Record, the State of California and their officers, employees, agents and independent contractors from every claim or demand made, and every liability, loss, damage, expense or attorneys fees of any nature whatsoever, which may be incurred by reason of:

20. Communication: The CONTRACTOR must provide a Supervisor available on the work site at all times who can understand and communicate with all DISTRICT Supervisors.
21. Disqualification of Bidders and Proposals: More than one proposal for the same work from any individual, firm, partnership, corporation, or association under the same or different names will not be accepted; and reasonable grounds for believing that any bidder is interested in more than one proposal for the work will be cause for rejecting all proposals in which such bidder is interested and the bidder will forfeit their bid security to the DISTRICT.

25. No Telephone or Facsimile Availability: No telephone or facsimile machine will be available to bidders on the DISTRICT premises at any time.

28. A Bidder may protest the bidding process for the project only by filing a written protest with the District's Purchasing Manager, Ashley Pele, in accordance with the procedures set forth in this section. The District will not consider any verbal protests (e.g., by telephone) or any protests sent by electronic mail. In order for a protest to be valid and considered by the District, the protest must: (a) be filed not later than seventy-two (72) hours prior to the scheduled board meeting; (b) clearly identify the Bidder on whose behalf the protest is being filed, together with the name, address and telephone number of the person representing the Bidder for purposes of the protest; (c) clearly identify the specific Bidding process, RFP or award of the Contract being protested; (d) clearly identify and describe in detail the specific basis or bases for the protest and all facts relevant thereto and in support thereof; (e) clearly identify all references to the specific portions of all documents relevant to the protest; (f) clearly identify and describe in detail all arguments in support of the protest, including, without limitation, any citations to all legal authorities; and (g) be submitted with all documentation that is relevant to and supports the basis or bases underlying the protest.

If a protest filed by a Bidder does not comply with each and every one of the foregoing requirements, the District may reject the protest as invalid. If a Bidder files a valid protest, the District shall review the protest and all relevant information and documents and will provide written decision to the protesting Bidder. In response to a protest, the Governing Board may decline to award a contract, may award a contract to a Bidder other than as previously intended, or may award a contract to a Bidder as previously intended despite the protest. Such action by the Governing Board shall be a condition precedent to the filing of any claim or demand and to the initiation of any action (legal or equitable) or other proceeding arising from the matter(s) protested.

COMPLIANCE WITH THE FOREGOING REQUIREMENTS IS MANDATORY. Each Bidder that desires to protest must file a protest in accordance with the foregoing requirements, and no Bidder may rely on a protest by another bidder as a means of satisfying such requirements. Compliance with the foregoing requirements is the sole and exclusive means of protesting the bidding process, any bid, and/or the intended award of a contract for the project, and failure to so comply shall be deemed and construed as a waiver of any and all rights the Bidder may have to pursue a claim, demand or action based on the bidding, any bids, and/or any contract awarded for the project.

AGREEMENT FORM

AGREEMENT FORM

THIS AGREEMENT, entered into this _____ day of _____, 20____ in the County of San Bernardino of the State of California, by and between the Victor Elementary School District, hereinafter called the "DISTRICT", and _____, hereinafter called the "CONTRACTOR".

WITNESSETH that the DISTRICT and the CONTRACTOR for the consideration stated herein agree as follows:

ARTICLE 1 - SCOPE OF WORK: The CONTRACTOR shall furnish all labor, materials, equipment, tools, and utility and transportation services, and perform and complete all work required in connection with the **ROOFING RESTORATION AT CHALLENGER ELEMENTARY SCHOOL BID #22-002**, in strict accordance with the contract documents enumerated in Article 7 below. The CONTRACTOR shall be liable to the DISTRICT for any damages arising as a result of a failure to comply with that obligation, and the CONTRACTOR shall not be excused with respect to any failure to so comply by an act or omission of the Engineer, Inspector, or representative of any of them, unless such act or omission actually prevents the CONTRACTOR from fully complying with the contract documents and the CONTRACTOR protests, in accordance with the contract documents, that the act or omission is preventing the CONTRACTOR from fully complying with the contract documents. Such protest shall not be effective unless reduced to writing and filed with the DISTRICT office within seven (7) days of the date of occurrence of such act or omission preventing the CONTRACTOR from fully complying with the Contract Documents.

ARTICLE 2 - TIME OF COMPLETION: The DISTRICT may give notice to proceed within three (3) months of the award of the bid by the DISTRICT. **The project shall begin no sooner than June 14, 2023 and be complete no later than August 5, 2023.** It is expressly understood that time is of the essence.

In the event that the DISTRICT desires to postpone giving the notice to proceed beyond this three (3) month period, it is expressly understood that with reasonable notice to the CONTRACTOR, giving the notice to proceed may be postponed by the DISTRICT. It is further expressly understood by the CONTRACTOR, that the CONTRACTOR shall not be entitled to any claim of additional compensation as a result of the DISTRICT's postponement of giving the notice to proceed.

If the CONTRACTOR believes that a postponement will cause hardship to it, the CONTRACTOR may terminate the contract with written notice to the DISTRICT within ten (10) days after receipt by the CONTRACTOR of the DISTRICT's notice of postponement. It is further understood by the CONTRACTOR that in the event that the CONTRACTOR terminates the contract as a result of postponement by the DISTRICT, the DISTRICT shall only be obligated to pay the CONTRACTOR for the work performed by the CONTRACTOR at the time of notification of postponement. Should the CONTRACTOR terminate the contract as a result of a notice of postponement, the DISTRICT shall have the authority to award the contract to the next lowest responsible bidder.

If subsequent reinspection's are necessary due to additional or incomplete work punch list items, the CONTRACTOR will be back charged from the contract \$500.00 for each reinspection.

Whenever Contractor shall be, and is declared by the District to be, in default under the Contract Documents, the Surety shall remedy the default pursuant to the Contract Documents, or shall promptly, at the District's option:

- (1) Take over and complete the Project in accordance with all terms and conditions in the Contract Documents; or
- (2) Obtain a bid or bids for completing the Project in accordance with all terms and conditions in the Contract Documents and upon determination by Surety of the lowest responsive and responsible bidder, arrange for a Contract between such bidder, the Surety and the District, and make available as work progresses sufficient funds to pay the cost of completion of the Project, less the balance of the contract price, including other costs and damages for which Surety may be liable. The term "balance of the contract price" as used in this paragraph shall mean the total amount payable to Contractor by the District under the Contract and any modification thereto, less any amount previously paid by the District to the Contractor and any other set offs pursuant to the Contract Documents.

- (3) Permit the District to complete the Project in any manner consistent with local, California and federal law and make available as work progresses sufficient funds to pay the cost of completion of the Project, less the balance of the contract price, including other costs and damages for which Surety may be liable. The term "balance of the contract price" as used in this paragraph shall mean the total amount payable to Contractor by the District under the Contract and any modification thereto, less any amount previously paid by the District to the Contractor and any other set offs pursuant to the Contract Documents.

Surety expressly agrees that the District may reject any contractor or subcontractor which may be proposed by Surety in fulfillment of its obligations in the event of default by the Contractor.

Surety shall not utilize Contractor in completing the Project nor shall Surety accept a bid from Contractor for completion of the Project if the District, when declaring the Contractor in default, notifies Surety of the District's objection to Contractor's further participation in the completion of the Project.

The Surety, for value received, hereby stipulates and agrees that no change, extension of time, alteration or addition to the terms of the Contract Documents or to the Project to be performed thereunder shall in any way affect its obligations on this bond, and it does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the Contract Documents or to the Project.

Contract is subject to all provision of the laws of California governing, controlling or affecting DISTRICT, or the property, funds operations, or powers of DISTRICT, and such provisions are by this reference made a part hereof and of the Contract.

Article 3. SITE INVESTIGATION

Before bidding on this work, CONTRACTOR shall make a careful investigation of the site and thoroughly familiarize himself with the requirements of the Contract. By the act of submitting a bid for the work included in this Contract, CONTRACTOR shall be deemed to have made such study and investigation and that CONTRACTOR is familiar with and accepts the conditions of the site.

Article 4. STATUS OF CONTRACTOR

CONTRACTOR is and shall at all times be deemed to be an independent CONTRACTOR and shall be wholly responsible for the manner in which it performs the services required of it by the terms of this Contract. Nothing herein

contained shall be construed as creating the relationship of employer and employee, or principal and agent, between the DISTRICT, or any of the DISTRICT's employees or agents, and CONTRACTOR or any of CONTRACTOR's agents or employees. CONTRACTOR assumes exclusively the responsibility for the acts of its employees as they relate to the services to be provided during the course and scope of their employment. CONTRACTOR, its agents and employees shall not be entitled to any rights or privileges of DISTRICT employees. DISTRICT shall be permitted to monitor the activities to determine compliance with the terms of this Contract. CONTRACTORS and subcontractors are required by law to be licensed and regulated by the Contractors State License Board.

Article 5. CONTRACTOR'S SUPERVISION

A. The CONTRACTOR shall verify all indicated dimensions before ordering materials or equipment, or before performing work. The CONTRACTOR shall take field measurements, verify field conditions, and shall carefully compare such field measurements and conditions and other information known to the CONTRACTOR with the contract documents before commencing activities. Errors, inconsistencies, or omissions discovered shall be reported to the District at once. Upon commencement of any item of work, the CONTRACTOR shall be responsible for dimensions related to such item of work and shall make any corrections necessary to make work properly fit at no additional cost to DISTRICT. This responsibility for verification of dimensions is a non-delegable duty and may not be delegated to subcontractors or agents.

B. Omissions from the drawings or specifications, or the misdescription of details of work which are manifestly necessary to carry out the intent of the drawings and specifications, or which are customarily performed, shall not relieve the CONTRACTOR from performing such omitted or misdescribed work, but they shall be performed as if fully and correctly set forth and described in the drawings and specifications.

C. The CONTRACTOR must provide a Supervisor available on the work site at all times who can understand and communicate with all DISTRICT Supervisors.

Article 6. SUBCONTRACTORS

A. CONTRACTOR agrees to bind every subcontractor by terms of Contract as far as such terms are applicable to subcontractor's work. If CONTRACTOR shall subcontract any part of this Contract, CONTRACTOR shall be as fully responsible to DISTRICT for acts and omissions of any subcontractor and of persons either directly or indirectly employed by any subcontractor, as it is for acts and omissions of persons directly employed by CONTRACTOR. Nothing contained in the contract documents shall create any contractual relation between any subcontractor and DISTRICT, nor shall this Contract be construed to be for the benefit of any subcontractor.

B. The CONTRACTOR shall be responsible for the coordination of the trades, subcontractors and materialmen engaged upon his work.

Article 7. DISTRICT'S INSPECTOR

If applicable, one or more Inspector(s), including special Inspectors, as required, will be employed by DISTRICT in accordance with requirements of Title 24 (previously Title 21) of the California Code of Regulations and will be assigned to the work. Duties of an Inspector are specifically defined in Section 4-342 (previously Section 42) of said Title 24. No work shall be carried on except with the knowledge and under the inspection of said Inspector(s). He shall have free access to any or all parts of work at any time. The DISTRICT will provide inspection and testing at its cost during the normal eight (8) hour day Monday through Friday (except holidays). Work by the CONTRACTOR outside of the normal eight (8) hour day shall constitute an authorization from the CONTRACTOR to the DISTRICT to provide inspection and testing as required outside of the normal eight (8) hour day. CONTRACTOR shall reimburse DISTRICT for inspection and testing outside the normal eight-hour day or for any retests caused by the CONTRACTOR.

Article 8. ASSIGNMENT OF ANTITRUST ACTIONS

A. Pursuant to Government Code § 4551, in entering into a public works contract or a subcontract to supply goods, services, or materials pursuant to a public works contract, the CONTRACTOR or Subcontractor offers and agrees to assign to the DISTRICT all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act, (15 U.S.C. § 15) or under the Cartwright Act (Chapter 2 [commencing with § 16700] of Part 2 of Division 7 of the Business and Professions Code), arising from the purchase of goods, services, or materials pursuant to the public works contract or the

subcontract. This assignment shall be made and become effective at the time the awarding body tenders final payment to the CONTRACTOR, without further acknowledgment by the parties. If the DISTRICT receives, either through

judgment or settlement, a monetary recovery for a cause of action assigned under Chapter 11 (commencing with § 4550) of Division 5 of Title 1 of the Government Code, the assignor shall be entitled to receive reimbursement for actual legal costs incurred and may, upon demand, recover from the DISTRICT any portion of the recovery, including treble damages, attributable to overcharges that were paid by the assignor but were not paid by the DISTRICT as part of the bid price, less the expenses incurred in obtaining that portion of the recovery.

B. Upon demand in writing by the assignor, the DISTRICT shall, within one (1) year from such demand, reassign the cause of action assigned pursuant to this Article if the assignor has been or may have been injured by the violation of law for which the cause of action arose and the DISTRICT has not been injured thereby or the DISTRICT declines to file a court action for the cause of action.

Article 9. OTHER CONTRACTS

A. DISTRICT reserves the right to let other contracts in connection with this work. CONTRACTOR shall afford other contractors reasonable opportunity for introduction and storage of their materials and execution of their work and shall properly connect and coordinate its work with theirs.

B. Nothing herein contained shall be interpreted as granting to CONTRACTOR exclusive occupancy at the Project site. CONTRACTOR shall not cause any unnecessary hindrance or delay to any other contractor working on Project. If simultaneous execution of any Contract for Project is likely to cause interference with performance of some other contract or contracts, DISTRICT shall decide which contractor shall cease work temporarily and which contractor shall continue or whether work can be coordinated so that contractors may proceed simultaneously.

Article 10. OCCUPANCY

DISTRICT reserves the right to occupy portions of the Project at any time before completion, and such occupancy shall constitute final acceptance of that portion only to the extent that the CONTRACTOR will not be subject to performing work or repairs caused by the DISTRICT's use of the occupied areas. Such occupancy shall not extend the date specified for completion of the work. The CONTRACTOR will be required to complete punch list items documented by DISTRICT, Architect, Inspector and CONTRACTOR prior to final payment.

Article 11. DISTRICT'S RIGHT TO DO WORK

Should the CONTRACTOR, at any time during the process of construction, fail or refuse to furnish enough materials or workmen to properly execute the work, unless prohibited from so doing through the action of DISTRICT or other authorized official agencies, DISTRICT, after giving ten (10) days written notice to CONTRACTOR may, without prejudice to any other rights he may have, proceed to furnish the materials and/or workmen necessary to proceed with or complete the work, and may deduct the cost thereof, together with reasonable expenses arising from such procedure, from any amounts then due or which may thereafter become due to CONTRACTOR.

Article 12. DISTRICT'S RIGHT TO TERMINATE CONTRACT

A. **Grounds for Termination.** The CONTRACTOR may terminate the Contract if the Work is stopped for a period of thirty (30) consecutive days through no act or fault of the CONTRACTOR, a Subcontractor, their agents or employees, or any other persons performing portions of the Work for whom the CONTRACTOR is contractually responsible, for only the following reasons:

- (1) Issuance of an order of a court or other public authority having jurisdiction; or
- (2) An act of government, such as a declaration of national emergency.

B. **Notice of Termination.** If one of the above reasons exists, the CONTRACTOR may, upon written notice of seven (7) additional days to the DISTRICT, terminate the Contract and recover from the DISTRICT payment for Work executed and for reasonable costs verified by the District with respect to materials, equipment, tools, construction equipment, and machinery, including reasonable overhead, profit, and damages.

Article 13. TERMINATION BY THE DISTRICT FOR CAUSE

A. **Grounds for Termination.** The DISTRICT may terminate the Contract if the CONTRACTOR:

- (1) Persistently or repeatedly refuses or fails to supply enough properly skilled workers or proper materials;
- (2) Persistently or repeatedly is absent, without excuse, from the job site;
- (3) Fails to make payment to Subcontractors;
- (4) Persistently disregards laws, ordinances, rules, regulations, or orders of a public authority having jurisdiction;
or
- (5) Otherwise is in material breach of a provision of the Contract Documents.

B. **Notification of Termination.** When any of the above reasons exist, the DISTRICT may, without prejudice to any other rights or remedies of the DISTRICT and after giving the CONTRACTOR and the CONTRACTOR's surety, if any, written notice of seven (7) days, terminate the Contract and may, subject to any prior rights of the surety:

- (1) Take possession of the Project and of all material, equipment, tools, and construction equipment and machinery thereon owned by the CONTRACTOR;
- (2) Accept assignment of Subcontracts; and
- (3) Complete the Work by any reasonable method the DISTRICT may deem expedient.

C. **Payments Withheld.** If the DISTRICT terminates the Contract for one of the reasons stated in Article 13.A, the CONTRACTOR shall not be entitled to receive further payment.

D. **Payments Upon Completion.** If the unpaid balance of the Contract Sum exceeds costs of completing the Work, including compensation for professional services and expenses made necessary thereby, such excess shall be paid to the CONTRACTOR. If such costs exceed the unpaid balance, the CONTRACTOR shall pay the difference to the DISTRICT. The amount to be paid to the CONTRACTOR, or DISTRICT, as the case may be, shall be certified by the District upon application. This payment obligation shall survive completion of the Contract.

Article 14. TERMINATION OF CONTRACT BY DISTRICT (CONTRACTOR NOT AT FAULT)

DISTRICT may terminate the Contract upon fifteen (15) calendar days of written notice to the CONTRACTOR, if it is found that reasons beyond the control of either the DISTRICT or CONTRACTOR make it impossible or against the DISTRICT's interest to complete the work. In such a case, the CONTRACTOR shall have no claims against the DISTRICT except: (1) the actual cost for labor, materials, and services performed which may be documented through timesheets, invoices, receipts, or otherwise, and (2) ten percent (10%) profit and overhead, and (3) five percent (5%) termination cost of the total of items (1) and (2).

Article 15. PAYMENT BOND

A. **Bond Requirements.** Prior to commencing any portion of the Work, the CONTRACTOR shall furnish a payment and performance bond for its portion of the Work which shall cover 100% faithful payment of all obligations arising under the Contract Documents and/or guaranteeing the payment in full of all claims for labor performed and materials supplied for the Work. All bonds shall be provided by a corporate surety authorized and admitted to transact business in California as sureties.

To the extent, if any, that the Contract Price is increased in accordance with the Contract Documents, the CONTRACTOR shall, upon request of the DISTRICT, cause the amount of the bonds to be increased accordingly and shall promptly deliver satisfactory evidence of such increase to the DISTRICT. To the extent available, the bonds shall further provide that no change or alteration of the Contract Documents (including, without limitation, an increase in the Contract Price, as referred to above), extensions of time, or modifications of the time, terms, or conditions of payment to the CONTRACTOR will release the surety. If the CONTRACTOR fails to furnish the required bonds, the DISTRICT may terminate the Contract for cause.

B. **Surety Qualifications.** Only bonds executed by admitted Surety insurers as defined in Code of Civil Procedure § 995.120 shall be accepted. Surety must be a California-admitted surety and listed by the U.S. Treasury with a bonding capacity in excess of the Project cost.

C. **Alternate Surety Qualifications.** If a California-admitted surety insurer issuing bonds does not meet these requirements, the insurer will be considered qualified if it is in conformance with § 995.660 of the California Code of Civil Procedure and proof of such is provided to the DISTRICT.

Article 16. DRAWINGS AND SPECIFICATIONS

A. Contract Documents are complementary, and what is called for by one shall be as binding as if called for by all.

B. Materials or work described in words which so applied has a well-known technical or trade meaning shall be deemed to refer to such recognized standards.

C. It is not the intention of the Contract to go into detailed descriptions of any materials and/or methods commonly known to the trade under the "trade name" or "trade term." The mere mention or notation of such "trade name" or "trade term" shall be considered a sufficient notice to CONTRACTOR that it will be required to complete the work so named with all its appurtenances according to the best practices of the trade.

D. The naming of any material and/or equipment shall mean furnishing and installing of same, including all incidental and accessory items thereto and/or labor therefor, as per best practices of the trade(s) involved, unless specifically noted otherwise.

E. Figured dimensions on drawings shall govern, but work not dimensioned shall be as directed. Work not particularly shown or specified shall be the same as similar parts that are shown or specified. Large-scale details shall take precedence over smaller scale drawings as to shape and details of construction. Specifications shall govern as to materials, workmanship, and installations procedures. Drawings and specifications are intended to be fully cooperative and to agree. However, if CONTRACTOR observes that drawings and specifications are in conflict, CONTRACTOR shall promptly notify the DISTRICT in writing, and any necessary changes shall be effected. The specification calling for the higher quality material or workmanship shall prevail.

F. Specifications and accompanying drawings are intended to delineate and describe the Project and its component parts to such a degree as to enable skilled and competent contractors to intelligently bid upon the work, and to carry said work to a successful conclusion.

G. Drawings and specifications are intended to comply with all laws, ordinances, rules, and regulations of constituted authorities having jurisdiction, and where referred to in the contract documents, said laws, ordinances, rules, and regulations shall be considered as a part of said Contract within the limits specified. The CONTRACTOR shall bear all expenses of correcting work done contrary to said laws, ordinances, rules, and regulations if the CONTRACTOR knew or should have known that the work as performed is contrary to said laws, ordinances, rules, and regulations and if the CONTRACTOR (1) performed same without first consulting DISTRICT for further instructions regarding said work or (2) disregarded DISTRICT's instructions regarding said work.

H. Questions regarding interpretation of drawings and specifications shall be clarified by DISTRICT. Should the CONTRACTOR commence work or any part thereof without seeking clarification, CONTRACTOR waives any claim for extra work or damages as a result of any ambiguity, conflict, or lack of information.

I. CONTRACTOR will be furnished, free of charge, bid sets of permitted documents and specifications. CONTRACTOR is to provide reproducible drawings and all additional copies which it requires for his operations at its own expense. It shall maintain an accurate record of all copies made and shall return or otherwise account for all copies at the end of the Project.

Article 17. OWNERSHIP OF DRAWINGS

Pursuant to Education Code section 17316, all plans, drawings, designs, specifications, and other incidental architectural and engineering work or materials and other contract documents and copies thereof furnished by DISTRICT are its property. They are not to be used in other work and, with the exception of signed sets of the Contract, are to be returned to the DISTRICT on request at completion of work.

Article 18. DETAIL DRAWINGS AND INSTRUCTIONS

A. In case of ambiguity, conflict, or lack of information, DISTRICT shall furnish, with reasonable promptness, additional instructions by means of drawings or otherwise, necessary for proper execution of work. All such drawings and instructions shall be consistent with contract documents, true developments thereof, and reasonably inferable therefrom.

B. Work shall be executed in conformity therewith and CONTRACTOR shall do no work without proper drawings and instructions.

C. The District will furnish necessary details to more fully explain the work, which details shall be considered as part of the contract documents.

D. Should any details require work and costs beyond those which reasonably should have been included in the contract, CONTRACTOR shall give written notice thereof to the DISTRICT within ten (10) working days of the receipt of same. In case no notice is given to the DISTRICT within ten (10) working days, it will be assumed the details are reasonable development of the scale drawings. In case notice is given, then the claim will be considered and, if found justified, the DISTRICT or Architect will either modify the drawings or shall recommend to DISTRICT a change order for the extra work involved.

E. All parts of the described and shown construction shall be of the quality of their respective kinds shown in the Plans or as specified, and the CONTRACTOR is hereby advised to use all diligence to become fully informed as to the required construction and finish, and in no case to proceed with the different parts of the work without first obtaining from the District some directions and/or drawings as may be necessary for the proper performance of the work.

F. If it is found at any time, before or after completion of the work, that the CONTRACTOR has varied from the drawings and/or specifications, in materials, quality, form, or finish, or in the amount or value of the materials and labor used, the DISTRICT shall issue an order to CONTRACTOR: (1) that all such improper work should be removed, remade, and replaced, and all work disturbed by these changes be made good at the CONTRACTOR's expense; or (2) that the DISTRICT deduct from any amount due CONTRACTOR, the sum of money equivalent to the difference in value between the work performed and that called for by the drawings and specifications. DISTRICT shall in its sole discretion determine such difference in value. The DISTRICT, at its option, may pursue either course.

Article 19. STATE AUDIT

Pursuant to and in accordance with the provisions of Government Code Section 8546.7, or any amendments thereto, all books, records, and files of DISTRICT, CONTRACTOR, or any subcontractor connected with the performance of this Contract involving the expenditure of state funds in excess of ten thousand dollars (\$10,000.00), including, but not limited to, the administration thereof, shall be subject to the examination and audit of the Office of the Auditor General of the State of California for a period of three (3) years after final payment is made under this Contract. CONTRACTOR shall preserve and cause to be preserved such books, records and files for the audit period.

Article 20. MATERIALS AND WORK

A. Except as otherwise specifically stated in this Contract, CONTRACTOR shall provide and pay for all materials, labor, tools, equipment, transportation, superintendence, temporary constructions of every nature, and all other services and facilities of every nature whatsoever necessary to execute and complete this Contract within specified time.

B. Unless otherwise specified, all materials shall be new and shall be of the respective kinds and grades as noted or specified.

C. Materials shall be furnished in ample quantities and at such times as to insure uninterrupted progress of work and shall be stored properly and protected as required. CONTRACTOR shall be entirely responsible for damages or loss by weather or other causes to materials or work under this Contract.

D. CONTRACTOR shall, after award of Contract by DISTRICT, place orders for materials and/or equipment as specified so that delivery of same may be made without delays to the work. CONTRACTOR shall, upon demand from the DISTRICT, furnish to the DISTRICT documentary evidence showing that orders have been placed.

E. No material, supplies, or equipment for work under this Contract shall be purchased subject to any chattel mortgage or under a conditional sale or other agreement by which an interest therein or in any part thereof is retained by seller or supplier. CONTRACTOR warrants good title to all material, supplies, and equipment installed or incorporated in work and agrees upon completion of all work to deliver premises, together with all improvements and appurtenances constructed or placed thereon by it, to DISTRICT free from any claims, liens, or charges. CONTRACTOR further agrees that neither it nor any person, firm, or corporation furnishing any materials or labor for any work covered by this Contract shall have any right to place a lien upon the premises or any improvement or appurtenance thereof, except that CONTRACTOR may install metering devices or other equipment of a utility company or political subdivision, title to which is commonly retained by the utility company or political subdivision. In event of installation of any such metering device or equipment, CONTRACTOR shall advise DISTRICT as to its owner.

F. For all material and equipment specified or indicated in the Drawings, the CONTRACTOR shall provide all labor, materials, equipment, and services necessary for complete assemblies and complete working systems. Incidental items not indicated on the Drawings, nor mentioned in the Specifications, that can legitimately and reasonably be inferred to belong to the work described, or be necessary in good practice to provide a complete assembly or system, shall be furnished as though itemized here in every detail. In all instances, material and equipment shall be installed in strict accordance with each manufacturer's most recent published recommendations and specifications.

Article 21. OBTAINING OF PERMITS, LICENSES AND EASEMENTS

Permits, licenses, and certificates necessary for prosecution of work shall be secured and paid for by CONTRACTOR, unless otherwise specified. All such permits, licenses, and certificates shall be delivered to DISTRICT before demand is made for the certificates of final payment. CONTRACTOR shall, and shall require subcontractors to, maintain CONTRACTOR's licenses in effect as required by law.

Article 22. ACCESS TO WORK

DISTRICT and its representatives shall at all times have access to work wherever it is in preparation or progress. CONTRACTOR shall provide safe and proper facilities for such access so that DISTRICT's representatives may perform their functions.

Article 23. SANITARY FACILITIES

If applicable, CONTRACTOR shall provide sanitary temporary facilities in no fewer numbers than required by law.

Article 24. CLEANING UP

CONTRACTOR at all times shall keep premises free from debris such as waste, rubbish, and excess materials and equipment caused by the work. CONTRACTOR shall not leave debris under, in, or about the premises, but shall promptly remove same from the premises. Upon completion of work, CONTRACTOR shall clean interior and exterior of building, including fixtures, equipment, walls, floors, ceilings, roofs, window sills and ledges, horizontal projections, and any areas where debris has collected so surfaces are free from foreign material or discoloration; CONTRACTOR shall clean and polish all glass, plumbing fixtures, and finish hardware and similar finish surfaces and equipment and remove temporary fencing, barricades, planking, sanitary facilities and similar temporary facilities from site. If CONTRACTOR fails to clean up, DISTRICT may do so and the cost thereof shall be charged to CONTRACTOR.

Article 25. GUARANTEE

A. In addition to guarantees required elsewhere, CONTRACTOR shall, and hereby does guarantee all work furnished on the job against all defects for a period of one year after date of acceptance of work by DISTRICT and shall repair or replace any and all such work, together with any other work, which may be displaced in so doing that may prove defective in workmanship and/or materials within one year period from date of acceptance without expense whatsoever to DISTRICT, ordinary wear and tear, unusual abuse or neglect excepted. DISTRICT will give notice of observed defects to CONTRACTOR and Surety with reasonable promptness. CONTRACTOR shall notify DISTRICT upon completion of such repairs or replacement.

B. CONTRACTOR warrants that the Work (which includes any equipment furnished by CONTRACTOR as a part of the materials) shall: (a) Be free from defects in workmanship and material; (b) Be free from defects in any design performed by CONTRACTOR; (c) Be new, and conform and perform to the requirements stated in the Specifications, and

where detail requirements are not so stated, shall conform to applicable industry standards; and (d) Be suitable for the use stated in the Specifications.

C. The warranty period for discovery of defective work shall commence on the date stamped on the Notice of Completion verifying County registration and continue for the period set forth in the Specifications or for one year if not so specified. If, during the warranty period, the Work is not available for use due to defective work, such time of unavailability shall not be counted as part of the warranty period. The warranty period for corrected defective work shall continue for a duration equivalent to the original warranty period.

Article 26. DUTY TO PROVIDE FIT WORKERS

A. CONTRACTOR and Subcontractors shall at all times enforce strict discipline and good order among their employees and shall not employ on work any person not skilled in the work assigned to such person. It shall be the responsibility of CONTRACTOR to insure compliance with this article.

B. Any person in the employ of the CONTRACTOR or subcontractors whom DISTRICT may deem unfit shall be excluded from the work site and shall not again be employed on it except with written consent of DISTRICT. As used in this subsection, "unfit" means any person who the DISTRICT concludes is either not, or improperly, skilled for the task assigned to that person, who fails to comply with the requirements of this article, or who creates safety hazards that jeopardize other persons and/or property.

C. CONTRACTOR shall take all reasonable steps necessary to insure that any employees of CONTRACTOR or any of its subcontractors employees do not use, consume, or work under the influence of any alcohol or illegal drugs while on the Project. CONTRACTOR shall further prevent any of its employees or its subcontractor employees from playing any recorded music devices or radios or wearing any radio headphone devices for entertainment while working on the Project. Likewise, CONTRACTOR shall preclude any of its employees or subcontractor's employees from bringing any animal onto the Project.

Article 27. FINGERPRINTING

If applicable, CONTRACTOR shall comply with all provisions of either Education Code Section 45125.1 or 45125.2. Pursuant to Education Code Section 45125.1, CONTRACTOR shall conduct criminal background checks of all employees of CONTRACTOR assigned to the DISTRICT, and shall certify that no employees who have been convicted of serious or violent felonies, as specified in Education Code Section 45125.1, will have contact with pupils, by utilizing the attached certification. As part of such certification, CONTRACTOR must provide the DISTRICT with a list of all employees providing services pursuant to this Agreement, and designate which sites such employees will be assigned. In performing the services set forth in this Agreement, CONTRACTOR shall not utilize any employees who are not included on the above-referenced list. At DISTRICT's sole discretion, DISTRICT may make a finding, as authorized under Education Code section 45125.1, that CONTRACTOR's employees will have only "limited contact" with pupils. CONTRACTOR's failure to comply with this law shall be considered a material breach of this Agreement upon where this Agreement may be terminated, at DISTRICT's sole discretion, without any further compensation to CONTRACTOR.

Pursuant to section 45125.2 CONTRACTOR shall ensure the safety of pupils by the installation of a physical barrier at the worksite and by continual supervision and monitoring of all these employees by an employee of CONTRACTOR whom the Department of Justice has ascertained has not been convicted of a serious or violent felony, as defined in Education Code section 45125.2 (c).

Article 28. WAGE RATES, TRAVEL AND SUBSISTENCE

A. Pursuant to the provisions of Article 2 (commencing at Section 1770), Chapter 1, Part 7, Division 2 of the Labor Code of California, the governing body of DISTRICT has obtained the general prevailing rate of per diem wages and the general prevailing rate for holiday and overtime work in the locality in which this public work is to be performed for each craft, classification or type of worker needed to execute this Contract from the Director of the Department of Industrial Relations (hereinafter, in this article "Director"). These rates are on file with the Director of Purchasing of DISTRICT and copies will be made available to any interested party on request. CONTRACTOR shall post a copy of such wage rates at the job site.

GENERAL CONDITIONS

Page 9 of 17

B. Holiday and overtime work, when permitted by law, shall be paid for at a rate of at least one and one-half times the above specified rate of per diem wages, unless otherwise specified. Holidays shall be as defined in the Collective Bargaining Agreement applicable to each particular craft, classification or type of worker employed under Contract.

C. As this is a public works project, CONTRACTOR shall pay and shall cause to be paid each worker engaged in work on the Project not less than the general prevailing rate of per diem wages determined by the Director, regardless of any contractual relationship which may be alleged to exist between CONTRACTOR or any subcontractor and such workers.

D. CONTRACTOR shall pay and shall cause to be paid to each worker needed to execute the work on the Project travel and subsistence payments, as such travel and subsistence payments are defined in the applicable collective bargaining agreements filed with the Department of Industrial Relations.

E. If during the period this bid is required to remain open, the Director of Industrial Relations determines that there has been a change in any prevailing rate of per diem wages in the locality in which the work under Contract is to be performed, such change shall not alter the wage rates in the Notice to CONTRACTORS or the Contract subsequently awarded.

F. Pursuant to Labor Code Section 1775, CONTRACTOR shall as a penalty to DISTRICT, forfeit two-hundred dollars (\$200.00) for each calendar day, or portion thereof, for each worker paid less than the prevailing rates, determined by the Director, for such work or craft in which such worker is employed for any public work done under Contract by CONTRACTOR or by any subcontractor under it. The difference between such prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the prevailing wage rate shall be paid to each worker by CONTRACTOR.

G. Any worker employed to perform work on the Project, which work is not covered by any classification listed in the general prevailing wage rate of per diem wages determined by the Director shall be paid not less than the minimum rate of wages specified therein for the classification which most nearly corresponds to work to be performed by him, and such minimum wage rate shall be retroactive to time of initial employment of such person in such classification.

H. Pursuant to Labor Code Section 1773.1, per diem wages are deemed to include employer payments for health and welfare, pension, vacation, travel time, and subsistence pay.

I. CONTRACTOR shall post at appropriate conspicuous points on the site of Project, a schedule showing all determined minimum wage rates and all authorized deductions, if any, from unpaid wages actually earned.

Article 29. HOURS OF WORK

A. As provided in Article 3 (commencing at Section 1810), Chapter 1, Part 7, Division 2 of the Labor Code, eight (8) hours of labor shall constitute a legal days work. The time of service of any worker employed at any time by CONTRACTOR or by any subcontractor on any subcontract under this Contract upon the work or upon any part of the work contemplated by this Contract shall be limited and restricted by CONTRACTOR to eight (8) hours per day, and forty (40) hours during any one week, except as hereinafter provided. Notwithstanding the provisions herein above set forth, work performed by employees of CONTRACTOR in excess of eight (8) hours per day and forty (40) hours during any one week, shall be permitted upon this public work upon compensation for all hours worked in excess of eight (8) hours per day at not less than one and one-half (1 ½) times the basic rate of pay.

B. CONTRACTOR shall keep and shall cause each subcontractor to keep an accurate record showing the name of and actual hours worked each calendar day and each calendar week by each worker employed by CONTRACTOR in connection with the work or any part of the work contemplated by this Contract. The record shall be kept open at all reasonable hours to the inspection of DISTRICT and to the Division of Labor Standards Enforcement, Department of Industrial Relations of the State of California.

C. Pursuant to Labor Code Section 1813, CONTRACTOR shall pay to the DISTRICT a penalty of twenty-five dollars (\$25.00) for each worker employed in the execution of this Contract by CONTRACTOR or by any subcontractor for each calendar day during which such worker is required or permitted to work more than eight (8) hours in any one calendar day and forty (40) hours in any one calendar week in violation of the provisions of Article 3 (commencing at Section 1810), Chapter 1, Part 7, Division 2 of the Labor Code.

D. Any work necessary to be performed after regular working hours, or other holidays shall be performed without additional expense to the DISTRICT.

Article 30. TIME CONSTRAINTS WHILE CHILDREN ARE IN SCHOOL

Work at the school sites must be done while students are not in the classrooms. The District will provide to the CONTRACTOR a schedule of when students will not be in the classrooms.

Article 31. PAYROLL RECORDS

A. Pursuant to the provisions of Section 1776 of the Labor Code, CONTRACTOR shall keep and shall cause each subcontractor performing any portion of the work under this Contract to keep an accurate payroll record, showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by CONTRACTOR in connection with the work.

B. The payroll enumerated under subdivision (a) shall be certified and shall be available for inspection at all reasonable hours at the principal office of CONTRACTOR on the following basis:

- (1) A certified copy of an employee's payroll record shall be made available for inspection or furnished to the employee or his/her authorized representative on request.
- (2) A certified copy of all payroll records enumerated in subdivision (a) shall be made available for inspection or furnished upon request to a representative of DISTRICT, Division of Labor Standards Enforcement, and Division of Apprenticeship Standards of the Department of Industrial Relations.
- (3) A certified copy of all payroll records enumerated in subdivision (a) shall be made available upon request by the public for inspection or copies thereof made; provided, however, that a request by the public shall be made through either the body awarding Contract, Division of Apprenticeship Standards, or the division of Labor Standards Enforcement. If the requested payroll records have not been provided pursuant to paragraph 2 above, the requesting party shall, prior to being provided the records, reimburse the costs of preparation by CONTRACTOR, subcontractors, and the entity through which the request was made. The public shall not be given access to the records at the principal office of CONTRACTOR.
- (4) The form of certification shall be as follows:

I, _____ (Name-print), the undersigned, am _____ (position in business) with the authority to act or and on behalf of _____ (Name of business and/or contractor), certify under penalty of perjury that the records or copies thereof submitted and consisting of _____ (description, number of pages) are the originals or true, full and correct copies of the originals which depict the payroll record(s) of the actual disbursements by way of cash, check or whatever form to the individual or individuals named.
Date _____ Signature _____

C. Each CONTRACTOR shall file a certified copy of the records enumerated in subdivision (a) with the entity that requested the records within ten (10) days after receipt of a written request.

D. Any copy of records made available for inspection as copies and furnished upon request to the public or any public agency by DISTRICT, Division of Apprenticeship Standards, or Division of Labor Standards Enforcement shall be marked or obliterated in such a manner as to prevent disclosure of an individual's name, address, and social security number. The name and address of CONTRACTOR awarded Contract or performing Contract shall not be marked or obliterated.

E. CONTRACTOR shall inform DISTRICT of the location of the records enumerated under subdivision (a), including the street address, city and county, and shall, within five (5) working days, provide a notice of a change of location and address.

F. In the event of noncompliance with the requirements of this section, CONTRACTOR shall have ten (10) days in which to comply subsequent to receipt of written notice specifying in what respects CONTRACTOR must comply with this section. Should noncompliance still be evident after the ten (10) day period, CONTRACTOR shall, as a penalty to DISTRICT, forfeit one-hundred dollars (\$100.00) for each calendar day, or portion thereof, for each worker, until strict compliance is effectuated. Upon the request of Division of Apprenticeship Standards or Division of Labor Standards Enforcement, these penalties shall be withheld from progress payments then due.

G. It shall be the responsibility of CONTRACTOR to ensure compliance with the provisions of Labor Code section 1776.

Article 32. LABOR - FIRST AID

The CONTRACTOR shall maintain emergency first aid treatment for CONTRACTOR's workers on the Project which complies with current Occupational Safety and Health Administration regulations.

Article 33. PROTECTION OF PERSONS AND PROPERTY

A. The CONTRACTOR shall be responsible for all damages to persons or property that occur as a result of its fault or negligence in connection with the prosecution of this Contract and shall take all necessary measures and be responsible for the proper care and protection of all materials delivered and work performed until completion and final acceptance by the DISTRICT. All work shall be solely at the CONTRACTOR's risk, with the exception of damage to the work caused by "acts of God". CONTRACTOR's liability for any injury or damage proximately caused by any "act of God" shall be limited to five percent (5%) of the Contract price.

B. CONTRACTOR shall take, and require subcontractor to take, all necessary precautions for safety of workers on the work and shall comply with all applicable federal, state, local and other safety laws, standards, orders, rules, regulations, and building codes to prevent accidents or injury to persons on, about, or adjacent to premises where work is being performed and to provide a safe and healthful place of employment. In addition to meeting all requirements of OSHA, Cal-OSHA, state, and local codes, CONTRACTOR shall furnish, erect and properly maintain at all times, as directed by DISTRICT or required by conditions and progress of work, all necessary safety devices, safeguards, construction canopies, signs, audible devices for protection of the blind, safety rails, belts and nets, barriers, lights, and watchmen for protection of workers and the public and shall post danger signs warning against hazards created by such features in the course of construction. CONTRACTOR shall designate a responsible member of its organization on the work, whose duty shall be to post information regarding protection and obligations of workers and other notices required under occupational safety and health laws, to comply with reporting and other occupational safety requirements, and to protect the life, safety and health of workers. Name and position of person so designated shall be reported to DISTRICT by CONTRACTOR. CONTRACTOR shall correct any violations of safety laws, rules, orders, standards, or regulations. Upon the issuance of a citation or notice of violation by the Division of Occupational Safety and Health, such violation shall be corrected promptly.

C. In an emergency affecting safety of life, of work, or of adjoining property, CONTRACTOR, without special instruction or authorization from DISTRICT, is hereby permitted to act, at its discretion, to prevent such threatened loss or injury; and CONTRACTOR shall so act if so authorized or instructed by Architect or DISTRICT. DISTRICT will not hold CONTRACTOR liable for damages proximately caused by CONTRACTOR's actions if such actions were reasonably necessary to prevent loss of life or injury to person or damage to work or adjoining property. Any compensation claimed by CONTRACTOR on account of emergency work shall be determined by agreement.

D. CONTRACTOR shall provide such heat, cooling, covering, and enclosures as are necessary to protect all work, materials, equipment, appliances, and tools against damage by weather conditions.

E. CONTRACTOR shall take adequate precautions to protect existing roads, sidewalks, curbs, pavements, utilities, adjoining property and structures (including, without limitation, protection from settlement or loss of lateral support), and to avoid damage thereto, and repair any damage thereto caused by construction operations. All permits, licenses, or inspection fees required for such repair work shall be obtained and paid for by CONTRACTOR.

F. CONTRACTOR shall (unless waived by the DISTRICT in writing):

- (1) When performing new construction on existing sites, become informed and take into specific account the maturity of the students on the site; and perform work which may interfere with school routine before or after

school hours, enclose working area with a substantial barricade, and arrange work to cause a minimum amount of inconvenience and danger to students and faculty in their regular school activities. The CONTRACTOR shall comply with specifications and directives of the DISTRICT regarding the timing of certain construction activities in order to avoid unnecessary interference with school functioning.

- (2) Provide substantial barricades around any shrubs or trees indicated to be preserved.
- (3) Deliver materials to building area over route designated by Architect of DISTRICT.
- (4) Take preventive measures to eliminate objectionable dust.
- (5) Confine apparatus, the storage of materials, and the operations of workers to limits indicated by law, ordinances, permits or directions of DISTRICT and shall not interfere with the work or unreasonably encumber premises or overload any structure with materials; and enforce all instructions of DISTRICT regarding signs, advertising, fires, and smoking and require that all workers comply with all regulations while on construction site.
- (6) Take care to prevent disturbing or covering any survey markers, monuments, or other devices marking property boundaries or corners. If such markers are disturbed by accident, they shall be replaced by an approved land surveyor or civil engineer and all maps and records required shall be filed with county and local authorities, at no cost to the DISTRICT. All filing and plan check fees shall be paid by CONTRACTOR.

Article 34. NON-DISCRIMINATION

In the performance of the terms of this Contract, CONTRACTOR agrees that it will not engage in nor permit such subcontractor as it may employ to engage in unlawful discrimination in employment of persons because of the race, religious creed, color, national origin, ancestry, physical handicap, medical condition, marital status, or sex of such persons.

Article 35. CONTRACTOR CLAIMS

If CONTRACTOR shall claim compensation for any damage sustained by reason of the acts of DISTRICT or its agents, CONTRACTOR shall, within five (5) days after sustaining of such damage, make to District a written statement of the damage sustained. On or before the fifteenth (15th) day of the month succeeding that in which such damage shall have been sustained CONTRACTOR shall file with DISTRICT an itemized statement of the details and amount of such damage, and unless such statement shall be made as thus required, CONTRACTOR's claims for compensation shall be forfeited and invalidated and it shall not be entitled to consideration for payment on account of any such damage.

Article 36. DISPUTES - DISTRICT'S DECISIONS

A. District shall within a reasonable time, make decisions on all claims of DISTRICT or CONTRACTOR and on all other matters relating to the execution and progress of the work. The decisions of District shall not be binding, but shall be advisory only.

B. In the event of a dispute between the parties as to performance of the work, the interpretation of this Contract, or payment or nonpayment for work performed or not performed, the parties shall attempt to resolve the dispute. Pending resolution of the dispute, CONTRACTOR agrees it will neither rescind the Contract nor stop the progress of the work. If determination by the court of the State of California, in the applicable County, having competent jurisdiction of the dispute, is required, such action will occur after the Project has been completed, and not before.

C. Notwithstanding any other language in the Contract Documents, claims between the District and the Contractor shall be resolved in accordance with the procedures established at Public Contract Code § 9204. "Claims" are defined for this section, pursuant to Public Contract Code § 9204, as a separate demand by the Contractor for one of the following: a time extension for relief from penalties for delay; payment of money or damages arising from Work done; or payment of an amount disputed by the District.

Upon receiving a claim sent by registered or certified mail, the District must review and provide a written response within forty-five (45) days that identifies the disputed and undisputed portions of the claim. The forty-five (45) day period to respond may be extended by mutual agreement. The claim is deemed rejected in its entirety if the District does not issue a

response. Any payment due on an undisputed portion of the claim must be processed within sixty (60) days after the District's response. If a claimant disputes the District's response or lack thereof, the claimant may demand to meet and confer for settlement of the issues in dispute. Any portion of a claim that remains in dispute after a meet and confer conference will be subject to nonbinding mediation process, as described in Public Contract Code § 9204. Undisputed and unpaid claims accrue interest at 7% per annum. A subcontractor or lower tier subcontractor may make a claim to the District through the Contractor, as specified in Public Contract Code § 9204. However, the procedures in this section shall not supersede the requirements of the contract documents with respect to the Contractor's notification to the District of such claim or extend the time for the giving of such notice as provided in the contract documents."

Article 37. COMPLETION

The work may only be accepted as complete by action of the DISTRICT's governing board.

Article 38. ADJUSTMENTS TO CONTRACT PRICE

A. If CONTRACTOR defaults or neglects to carry out the work in accordance with the contract documents or fails to perform any provision thereof, DISTRICT may, after ten (10) days written notice to CONTRACTOR and without prejudice to any other remedy it may have, make good such deficiencies.

B. DISTRICT shall adjust the total Contract price by reducing the amount thereof by the cost of making good such deficiencies. If DISTRICT deems it inexpedient to correct work injured or not done in accordance with Contract provisions, an equitable reduction in Contract price shall be made therefore.

Article 39. CORRECTION OF WORK

A. Should it be considered necessary or advisable by DISTRICT at any time before final acceptance of the entire work to make an examination of work already completed by removing or tearing out the same, the CONTRACTOR shall on request promptly furnish all necessary facilities, labor and materials. If such work is found to be defective in any respect due to fault of the CONTRACTOR or his subcontractor, he shall defray all expenses of such examinations and of satisfactory reconstruction. If, however, such work is found to meet the requirements of the Contract, the additional cost of labor and material necessarily involved in the examination and replacement shall be allowed the CONTRACTOR.

B. CONTRACTOR shall promptly remove from premises all work identified by DISTRICT as failing to conform to Contract, whether incorporated or not. CONTRACTOR shall promptly replace and re-execute its own work to comply with entrant documents without additional expense to DISTRICT and shall bear the expense of making good all work of other CONTRACTORS destroyed or damaged by such removal or replacement.

C. If CONTRACTOR does not remove such work within a reasonable time, fixed by written notice, DISTRICT may remove it and may store the material at CONTRACTOR's expense. If CONTRACTOR does not pay expenses of such removal within ten (10) days' time thereafter, DISTRICT may, upon ten (10) days' written notice, sell such materials at auction or at private sale and shall account for net proceeds thereof, after deducting all costs and expenses that should have been borne by CONTRACTOR.

Article 40. EXTENSION OF TIME - LIQUIDATED DAMAGES

A. THE CONTRACTOR AND DISTRICT HEREBY AGREE THAT THE EXACT AMOUNT OF DAMAGES FOR FAILURE TO COMPLETE THE WORK WITHIN THE TIME SPECIFIED IS EXTREMELY DIFFICULT OR IMPOSSIBLE TO DETERMINE.

It is expressly understood that time is of the essence and that the Contractor must complete the Project within the time specified in the Agreement. CONTRACTOR shall be assessed the sum of One Hundred Dollars (\$100.00) per day as liquidated damages for each and every day the work required under this contract remains unfinished past the time for completion, as set forth in the Agreement, and any extensions of time granted by the DISTRICT to the CONTRACTOR under the terms of the contract documents and pursuant to Section 53069.85 of the Government Code. For purposes of this article, the work shall be considered "complete" only after DISTRICT's governing board, at its next regularly scheduled meeting, accepts the work.

B. CONTRACTOR shall not be charged for liquidated damages, as set forth above, because of any delays in completion of work which are not the fault or negligence of CONTRACTOR, including but not restricted to: acts of God, acts of public enemy, acts of Government, fires, floods, epidemics and quarantine restrictions. CONTRACTOR shall, within ten (10) calendar days of beginning of any such delay (unless DISTRICT grants in writing a further period of time to file such notice prior to date of final settlement of the Contract), notify DISTRICT in writing of causes of delay; thereupon DISTRICT shall ascertain the facts and extent of delay and grant extension of time for completing work when, in its judgment, the findings of fact justify such an extension. The DISTRICT's finding of fact thereon shall be final and conclusive on the parties hereto. Extensions of time shall apply only to that portion of work affected by delay, and shall not apply to other portions of work not so affected.

Article 41. PAYMENTS

A. Payments will be made per District Site, if applicable. As each DISTRICT Site is completed, contractor shall invoice an amount equal to ninety percent (90%) of the Contract total for that site to the DISTRICT'S Business Office. The invoice shall be paid after the DISTRICT'S Maintenance Supervisor approves the invoice. Work completed as estimated shall be an estimate only and no inaccuracy or error in said estimate shall operate to release CONTRACTOR or surety from any damages arising from such work or from enforcing each and every provision of this Contract, and DISTRICT shall have the right subsequently to correct any error made in any estimate for payment. CONTRACTOR shall not be entitled to have any payment estimates processed or be entitled to have any payment for work performed so long as any lawful or proper direction concerning work, or any portion thereof, given by DISTRICT shall remain uncompiled with.

B. Before payment is made hereunder, the DISTRICT will review the request for progress payment with DISTRICT and Inspector for verification that the work for which payment is requested has been performed in accordance with the Terms of the Contract.

C. Maintenance Supervisor shall sign the request for payment as verification that the work has been performed. It is understood that signature of the Maintenance Supervisor shall not be conclusive upon DISTRICT, but merely advisory.

D. Prior to final payment, CONTRACTOR and each SUBCONTRACTOR shall certify that the Project does not contain any asbestos containing materials.

E. After completion of the Work, CONTRACTOR shall make a demand for final payment. The demand for final payment shall identify all disputed and undisputed amounts due under the Contract and, all claims for compensation under or arising out of this Contract. The CONTRACTOR's negotiation of the payment of the final amount shall constitute a waiver of all amounts due under the Contract and all claims against DISTRICT under or arising out of this Contract except those identified by CONTRACTOR in writing, and unsettled before CONTRACTOR's negotiation of final payment. The final payment, if unencumbered, shall be made thirty-five (35) calendar days after recordation of the Notice of Completion by the County Registrar. Acceptance will be made only by action of DISTRICT's governing board.

F. No payment by DISTRICT hereunder shall be interpreted so as to imply that DISTRICT has inspected, approved, or accepted any part of the Work.

Article 42. PAYMENTS WITHHELD

A. In addition to amounts which DISTRICT may retain under the Article entitled "PAYMENTS," DISTRICT may withhold a sufficient amount or amounts of any payment or payments otherwise due to CONTRACTOR, as in its judgment may be necessary to cover:

- (1) Payments which may be past due and payable for just claims against CONTRACTOR or any subcontractors, or against and about the performance of work on the Project under this Contract;
- (2) The cost of defective work that CONTRACTOR has not remedied;
- (3) Liquidated damages assessed against CONTRACTOR;
- (4) Penalties for violation of labor laws;
- (5) The cost of materials ordered by the DISTRICT pursuant to the Article entitled "MATERIALS AND WORK";

- (6) The cost of completion of this Contract if there exists a reasonable doubt that this Contract can be completed for the balance then unpaid to CONTRACTOR;
- (7) Site clean-up as provided in Article entitled "CLEANING UP";
- (8) Amount necessary to satisfy any and all liens against DISTRICT. CONTRACTOR shall provide release of all liens prior to final payment;
- (9) Damages to another contractor;
- (10) Payments to indemnify, defend, or hold harmless the DISTRICT; and
- (11) Any payments due to the DISTRICT including but not limited to payments for failed tests, utilities or imperfections.

B. If the CONTRACTOR, at its own expense, removes the reason for withholding, then payment shall be made for amount withheld.

C. DISTRICT may apply such withheld amount or amounts to payment of such claims or obligations at its discretion. In so doing, DISTRICT shall make such payments on behalf of CONTRACTOR. If any payment is so made by DISTRICT, then such amount shall be considered as a payment made under Contract by DISTRICT to CONTRACTOR and DISTRICT shall not be liable to CONTRACTOR for such payments made in good faith. Such payments may be made without prior judicial determination of claim or obligation. DISTRICT will render CONTRACTOR an accounting of such funds disbursed on behalf of CONTRACTOR.

D. As an alternative to payment of such claims or obligations, DISTRICT, in its sole discretion, may reduce the total Contract price as provided in the Article entitled "ADJUSTMENTS TO CONTRACT PRICE."

E. Payment by the DISTRICT shall be without prejudice to any other action by the DISTRICT to recover damages.

Article 43. EXCISE TAXES

If under Federal Excise Tax Law any transaction hereunder constitutes a sale on which a Federal Excise Tax is imposed and the sale is exempt from such Federal Excise Tax because it is a sale to a State or Local Government for its exclusive use, DISTRICT, upon request, will execute documents necessary to show (1) that DISTRICT is a political subdivision of the State for the purposes of such exemption and (2) that the sale is for the exclusive use of DISTRICT. No Federal Excise Tax for such materials shall be included in any bid price.

Article 44. TAXES

Bid price is to include any and all applicable sales taxes or other taxes that may be due in accordance with Section 7051 of the Revenue and Taxation Code; Regulation 1521 of the State Board of Equalization or any other tax codes that may be applicable.

Article 45. NO ASSIGNMENT

CONTRACTOR shall not assign this Contract or any part thereof.

Article 46. NOTICE AND SERVICE THEREOF

Any notice from one party to the other or otherwise under Contract shall be in writing and shall be dated and signed by party giving such notice or by a duly authorized representative of such party. Any such notice shall not be effective for any purpose whatsoever unless served in one of the following manners:

- A. If notice is given to DISTRICT, by personal delivery thereof to DISTRICT or by depositing same in United States mail, enclosed in a sealed envelope addressed to DISTRICT, and sent by registered or certified mail with postage prepaid;

B. If notice is given to CONTRACTOR by personal delivery thereof to said CONTRACTOR or to CONTRACTOR's superintendent at site of Project, or by depositing same in United States mail, enclosed in a sealed envelope addressed to said CONTRACTOR at its regular place of business or at such address as may have been established for the conduct of work under this Contract, and sent by registered or certified mail with postage prepaid;

C. If notice is given to surety or other person by personal delivery to such surety or other person or by depositing same in United States mail, enclosed in a sealed envelope, addressed to such surety or person at the address of such surety or person last communicated by surety or other person to party giving notice, and sent by registered or certified mail with postage prepaid.

Article 47. NO WAIVER

The failure of DISTRICT in any one or more instances to insist upon strict performance of any of the terms of this Contract or to exercise any option herein conferred shall not be construed as a waiver or relinquishment to any extent of the right to assert or rely upon any such terms or option on any future occasion.

Article 48. HAZARDOUS MATERIALS

In the event the CONTRACTOR encounters on the site material reasonably believed to be asbestos or polychlorinated biphenyl (PCB) which has not been rendered harmless, the CONTRACTOR shall immediately stop work in the area affected and report the condition to the DISTRICT in writing. The work in the affected area shall not thereafter be resumed except by written agreement of the DISTRICT and CONTRACTOR if in fact the material is asbestos or PCB and has not been rendered harmless. The work in the affected area shall be resumed in the absence of asbestos or PCB, or when it has been rendered harmless, by written agreement of the DISTRICT and CONTRACTOR, or in accordance with final determination by DISTRICT.

Article 49. OWNER'S RIGHT TO CARRY OUT THE WORK

If CONTRACTOR defaults or neglects to carry out the work in accordance with the contract documents or fails to perform any provision of this Contract, the owner may, after ten (10) calendar days' written notice to CONTRACTOR and without prejudice to any other remedy he may have, made good such deficiencies. In such case an appropriate Change Order shall be issued deducting from the payments then or thereafter due CONTRACTOR the cost of correcting such deficiencies, including the cost of the Architect's additional service made necessary by such default, neglect or failure. If the payments then or thereafter due CONTRACTOR are not sufficient to cover such amount, then CONTRACTOR shall pay the difference to the DISTRICT within ten (10) calendar days.

Article 50. INDEMNIFICATION

A. The CONTRACTOR shall indemnify and hold harmless the DISTRICT, the DISTRICT's officers, agents, and employees, consultants and employees from every claim or demand made, and every liability, loss, damages, or expense, of any nature whatsoever, which may be incurred by reason of:

- (1) Liability for (a) death or bodily injury to persons; (b) damage or injury to, loss (including theft), or loss of use of, any property; (c) any failure or alleged failure to comply with any provision of law or the Contract Documents; or (d) any other loss, damage or expense, sustained by any person, firm or corporation or in connection with the Work called for in this Agreement or the Contract Documents, except for liability resulting from the sole or active negligence, or the willful misconduct of the DISTRICT.
- (2) Any bodily injury to or death of persons or damage to property caused by any act, omission or breach of CONTRACTOR or any person, firm or corporation employed by CONTRACTOR, either directly or by independent contract, including all damages or injury to, loss (including theft), or loss of use of, any property, sustained by any person, firm or corporation, including DISTRICT, arising out of or in any way connected with Work covered by this Agreement or the Contract Documents, whether said injury or damage occurs either on or off DISTRICT property, but not for any loss, injury, death or damages caused by the sole or active negligence or willful misconduct of the DISTRICT.
- (3) Any dispute between CONTRACTOR and CONTRACTOR's subcontractors/supplies/sureties, including, but not limited to, any stop notice actions.

B. CONTRACTOR, at CONTRACTOR's own expense, cost, and risk, shall defend any and all claims, actions, suits, or other proceedings that may be brought or instituted against the DISTRICT, its officers, agents or employees, on any such claim or liability, and shall pay or satisfy any judgment that may be rendered against the DISTRICT, its officers, agents or employees in any action, suit or other proceedings as a result thereof.

Article 51. NON-UTILIZATION OF ASBESTOS MATERIAL.

NO ASBESTOS OR ASBESTOS-CONTAINING PRODUCTS SHALL BE USED IN THIS CONSTRUCTION OR IN ANY TOOLS, DEVICES, CLOTHING, OR EQUIPMENT USED TO EFFECT THIS CONSTRUCTION.

Asbestos and/or asbestos-containing products shall be defined as all items containing, but not limited to, chrysolite, amosite, anthophyllite, tremolite, and actinolite. Any or all material containing greater than one-tenth of one percent (1%) asbestos shall be defined as asbestos-containing material. All work or materials found to contain asbestos or work or material installed with asbestos-containing equipment will be immediately rejected and this work will be removed at no additional cost to the DISTRICT.

Article 52. LIEN RELEASES

CONTRACTOR shall, at its own cost, defend, indemnify and hold harmless the DISTRICT, its officers, agents, employees, assigns, and successors in interest, from and against any and all liability, damages, losses, claims, demands, actions, causes of action, and costs including attorney's fees and expenses, or any of them, arising from or attributable to a lien or stop notice filed and/or severed in connection with the work.

Article 53. LABOR COMPLIANCE PROGRAM

A. CONTRACTOR and Subcontractors shall not engage in the performance of any contract for public work unless currently registered and qualified to perform public work pursuant to Labor Code section 1725.5, except under the limited circumstances set forth in Labor Code section 1771.1(a). This requirement shall apply to any contract for public work awarded on or after April 1, 2015. DISTRICT may not accept a bid or enter into a contract for a public works project with an unregistered contractor.

B. Pursuant to Labor Code section 1771.4, this Contract is subject to compliance monitoring and enforcement by the Department of Industrial Relations. CONTRACTOR and each Subcontractor performing work on the Project shall be required to comply with the provisions of the California Labor Code, beginning with section 1720, and the regulations of the Department of Industrial Relations' Division of Labor Standards Enforcement (i.e., the Labor Commissioner), including, but not limited to, the standard provisions requiring payment of prevailing wages, maintenance and submission of certified payroll records, and the hiring of apprentices as appropriate. Unless otherwise specified, CONTRACTOR shall be required to post job site notices regarding the requirements of this paragraph, as prescribed by regulation. For all new public works projects awarded on or after April 1, 2015, CONTRACTOR and each Subcontractor shall be required to furnish the records specified in Labor Code section 1776 directly to the Labor Commissioner at least monthly, or more frequently if specified in the Contract Documents, and in a format prescribed by the Labor Commissioner. This requirement shall apply to all projects, whether new or ongoing, on or after January 1, 2016.
