

**Bid # 22-002 Roofing Restoration - Challenger
Elementary
Victor Elementary School District
Addendum #1**

Items added to scope of work:

- 1) Replace all missing primary drain baskets with new cast iron to match the existing drainage system.
- 2) Replace existing foam conduit supports with new rubber Dura-Blok supports to match existing height.
- 3) Contractor is to supply a portable restroom.

Additional Information:

- Any supplies needing to be stored at the site can be stored in the kitchen service area or on the playground. All additional fencing needed will be supplied by the contractor.
- The District will repair the damaged water lines above the office and kitchen.
- The Contractor's daily start time will be at 7am.
- Facilities Dept. will supply the keys and possible alarm code.
