Damages which the District would suffer in the event of delay are dependent on many circumstances and factors but would include the loss of use of the materials, disruption of school activities, cost of administration and supervision, and the loss suffered by the public and the District by reason of delay in completion of the contract. Accordingly, bidder agrees that the amount set forth herein as liquidated damages shall be presumed to be the amount of damages actually sustained by the bidder's failure to complete the project by the contract date.

31. Participation. Bidder agrees to extend the terms of the resulting contract to other political subdivisions, municipalities and tax supported agencies.

Such participating governmental bodies shall make purchases in their own name, make payment directly to the bidder, and be liable directly to the bidder, holding Victor Elementary School District harmless.
