

Bid # 23-001 - Flooring at Multiple Sites
Addendum #1

1. Will the District be moving all furniture for work to be done?

No, per the bid package it states that the contractor will be held responsible for moving all furniture and placing all items back to their original position once the job is completed.

2. Can we use District dumpster for material?

No, per the bid package it states that the contractor will provide their own dumpster and is prohibited from using school sites.

3. Can you please provide clarity on what the District means when they talk about “walk off tiles” in the entryways? Also what sites and rooms the District is wanting this installed?

The District is referring to Patcraft “Walk Right in II” #10304 product. This product will be installed only at site Del Rey Room K-2 on both entry ways and Room 39.

4. Will we be able to work on weekends?

Yes, that will need to be communicated to the Maintenance Supervisor.

5. Can we revisit Challenger?

No, however the district has provided the flooring plan for the Yellow wing in the email regarding Bid#23-001 Flooring at Multiple Sites Addendum #1

6. For the portable restrooms will the partitions be getting removed & toilets or will that be on the contractor?

The removal of the partitions and toilets will be the contractors responsibility.

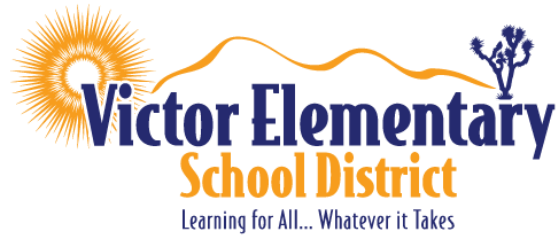

Additional Information:

Victor Elementary School District will be changing this project to a **labor only** bid with all material being provided by the District.

All work will be scheduled after 6/13 and coordinating with summer school dates.

Prevailing wages will be monitored.

All floor prep must be completed to the manufacturer's recommendation.

Summary of the needs of the District in the areas that were job walked on April 3 2023.
